

Moanalua Elementary School

Orchestra Department Course Contract

Student's Name :

Grade:

Date:

1. I will demonstrate a commitment to attend all scheduled classes on time, have a positive attitude, participate constructively in class, care for my instrument, and practice daily.
2. I acknowledge that I will experience an initial one-month probationary period, during which time I may be removed from the program if I fail to (1) practice/complete assigned work, (2) participate constructively in class, and (3) attend class in a consistent and timely manner.
3. I acknowledge that, at any time during the program, I may be reassigned to a different course level based on my participation, progress, and the needs of the program.
4. I understand that no student may be left unsupervised after school or before or after the Orchestra class and, as a result, I must be supervised at all times outside of the classroom either through the A+ program or by a parent or guardian. The string program instructor will not provide supervision outside of my assigned Orchestra class.
5. I agree to the tuition, instrument and materials cost in the amount of **\$200 paid in full no later than Friday August 23rd 2011 to the school's orchestra mailbox (please make checks payable to Jeff Hamano)**. I understand that no student will be allowed to participate until the tuition is paid in full.
6. Tuition is paid on a non-refundable basis. If for any reason student removes himself or herself from the program, I am aware that no refund will be given, no exceptions.
7. I understand that there is limited enrollment space and that participants will be served on a first come first serve basis.
8. I understand that every parent and student must fill out, sign and return the instrument rental agreement prior to enrollment. I understand that instruments will be distributed on a first-come, first-serve basis and that no student is guaranteed an instrument from Moanalua Elementary School. Depending on the number of enrolled students, I realize that some students may need to rent instruments from outside music vendors.

I understand and hereby agree to all the above said conditions and tuition of \$200 for the fall semester of 2011:
