

Attention, Parents!

Late Breaking **MES PCNC** news!
with RSVP deadline!

Junior Engineering Night

Wednesday,

December 7, 2011

MES Cafetorium

It's time for the 5th annual Grade 5
Popsicle Stick Bridge Competition
& Junior Engineering Night.

Check out the designs and construction detail by
our fifth grade student teams. Which bridge is
best-designed to survive the brutal stress test?

All ages are welcome at the hands-on activity
stations at this fun, interactive parent-&-child event.

Attendance at this popular & exciting evening of
hands-on activities has increased each year.
In order to provide adequate supplies & materials
for all participants we need a headcount;
you must RSVP to participate!

Check-in begins at 5:15 p.m. in front of the library
and activities will begin at 5:45 p.m.

RSVP below & pre-order your snack pack
(hot dog, bag of chips, string cheese and drink)
for the bargain price of \$1

Wednesday

November 30

5:30 - 6:30 p.m.

in the library

learn how KidBiz can help your child
practice their reading comprehension
and improve their HSA scores.

please RSVP so we can have your
parent log-in & password ready!

get updated M.E.S. news

share your cares, concerns
& compliments
